RAJDHANI PUBLIC SCHOOL

Class 8th

Session 2018-2019

General Information

The all round development of the child involves both the scholastic and the co-scholastic areas of pupil growth, Thus, we try to include the habits of regular study, industry, discipline, sense of responsibility, co-operation, community service and civic consciousness in our children to face the challenges.

Evaluation

The CBSE has issued Circular No. Acad05/2017 dated 31-01-2017 on the restoration of Board Examination for class X and revised assessment structure and examination for class X from academic Year 2017-18 onward. This new scheme will bring the uniformity in the system of assessment and examination for classes IX and X in all the CBSE affiliated schools. To increase the confidence in the students to start preparing for class X Board examination when they join the upper primary stage. The CBSE has decided to implement the uniform system of assessment, examination pattern. While keeping in view the provisions of Right to education Act, 2009, the scheme has been designed on Term Assessment basis with gradual increase in the Learning assessment as the students move forward. This would prepare the students to cover the whole syllabus of the academic year and face the challenge of class X board examination and would thus, ensure the 'quality of education'.

Scholastic Area

The assessment structure and examination have been prepared in view of the provisions of RTE-ACT 2009 and comprises of two terms i.e. Term-1 and 2 as explained below :-
